STUDIO POLICIES

What to Expect your First Week

- The Lobby can be very crowded the first few weeks of classes. This will settle down after the first few weeks.
- Like school, the first few weeks of class are review. This allows everyone to get comfortable with new classes and new teachers. Also, teachers can evaluate students to be sure they are in the correct class.
- If students have been placed in classes that are not correct for them—Don't worry, we will find a more suitable class!
- The parking lot can be very busy, especially as classes are changing. This is something that can't be helped. Please be careful to watch for children!
- It is best to get your child in class on time, ready to dance.
- Younger students will be walked out into the lobby to the exit door for pick up.
- The youngest dancers will often have tears or anxiety the first few weeks. This is normal. The teachers are trained to get children "on task" quickly. It is not uncommon to have a few dancers on a few hips the first month of class! The best way to ensure success is for parents to assure them they are going to have fun. Leave as quickly as possible and make sure the door is closed. Please keep noise down in the lobby, and don't let siblings open or knock on the door. This will distract the students.
- Please have all students use the bathroom before class. Teachers will gladly take students if they do need to go during class, but this can be a disruption.

**Always stop by the front desk if you have questions or concerns.
Every staff member wants your JMAD experience to be positive and rewarding.**
